**SENECA RESORTS & CASINOS IMPLEMENTS ENHANCED PRECAUTIONS TO
MAINTAIN HEALTH & SAFETY IN RESPONSE TO
CORONAVIRUS (COVID-19)**

NIAGARA FALLS, NEW YORK—BUFFALO, NEW YORK—SALAMANCA, NEW YORK:

(March 9, 2020) Seneca Resorts & Casinos has been tracking Coronavirus (COVID-19) and we continue to actively monitor guidance from the CDC so we can be sure that we are taking the most comprehensive actions.

Seneca Resorts & Casinos places the highest priority on the health and safety of our guests and team members. In order to continue this level of safety we have implemented enhanced precautions during this time.

Here are a few of the additional resources that we have in place at each Seneca Resorts & Casinos property:

- We have placed hand-sanitizing stations throughout the property including at each entrance to each restroom.
- Our employees are required to wash their hands regularly and we encourage all guests to do so as well.
- The soap containers in all of our restrooms are continually being replenished.

It is recommended that hands be washed with soap and water for at least 20 seconds.

- Tissues have also been provided in each restroom should guests or staff experience sneezing or coughing.
- The team at Seneca Resorts & Casinos works hard to provide the cleanest environment, routinely cleaning machines, tables and all dining surfaces. In addition, all doors, handles, light switches and handrails have also increased frequency of disinfection procedures.
- We have encouraged all team members to remain home when sick and urge our guests to do the same.
- We have increased EVS staffing to maintain and increase frequency of disinfecting procedures.

Here's what YOU can do to help:

- Wash your hands frequently. If washing with soap and water it is recommended to wash for at least 20 seconds (sing the Happy Birthday song twice). If washing with soap and water is unavailable to you then please use hand sanitizer.
- Please utilize tissues if sneezing or coughing and then throw the tissue away.
- Please wipe down your phone(s) regularly as these are frequently touching many surfaces during the course of your day.
- If you are sick, please consider rescheduling your visit. We are open 365 days a year and 24 hours a day.

For additional information, please visit the Centers for Disease Control and Prevention (CDC) website at www.cdc.gov

Seneca Resorts & Casinos will continue to closely monitor guidance from local and national health officials during this time to provide the highest level of health and safety to our guests and team members.
